Among the Qutb Shahi monarchs there seems to be a slight leaning towards Arabic in the time of Muhammad Quli Qutb Shah, and the beautiful Arabic inscription in the tombstone of his brother, Muhammad Amin, is an indication of the growing scholarship in that language. But it was in the reign of Abdullah that Arabic learning began to bear considerable fruit. Thus Muhammad Ali Karbalai dedicated his book Hadaiq Qutb Shahi to him, while another important book in Arabic written during his reign was the Tafsirul-Quran by Muhazibuddin Damamini. There is also a book entitled Shajratud-Danish written by Hakim Nizamuddin Gilani, containing essays on a variety of subjects such as medicine, law, philosophy and literature.
