

PROSPECTUS

FOR GUIDANCE OF
WBCS (EXE.) ETC. EXAM ONLY

2024-25

**WBCS MADE EASY
GUIDED BY IAS (RETD.),
WBCS GR. A OFFICERS & EXPERTS**

ABOUT US

We are a team of professionals who guide candidates like you for the WBCS (Exe.) Etc. Exam at our institute "WBCSMadeEasy™". We are now starting the course WBCS Prelims Mains Interview 2024/25. We think and believe that all candidates have merit, more or less of same amount. But they only fail/disqualify in the WBCS exam only due to absence of proper guidance.

There are lot of books and notes available in the market. If one starts to study those books it will take 2-3 years for good preparation for an exam like WBCS as you know its services are of highest administrative nature in West Bengal. At the same time we also like to remind you that this exam is not ONLY for Scientists, Researchers or Labours. Candidates should have sound basic knowledge and a good strategy for cracking this exam. Changed pattern of this exam has made it easier provided you know what to study and how to do it.

We at our institute guide the student, take regular exam (one type is for home work and another for improving skill for appearing or answering question in prelims, which has negative marking), give concise notes (from where the questions are generally asked) and of course make strategy for students of diverse background (since each student is different).We also motivate them continuously. There is also token award for topper in each exam at our institute.

Here only WBCS Exam's guidance is provided by Experts & WBCS(A) officers under the mentorship IAS (Retd.) officers and in weekdays / weekends.

VISION

WBCS MADE EASY Institute is committed to the vision to exemplify excellence and leadership in quality guidance. We provide a platform where goals are achieved, skills are nurtured and values are build. To facilitate transformation of students into good WBCS (Exe.) officers, WB Police Service Officers and at the same time into good human beings, responsible citizens and competent professionals, focusing on assimilation, generation and dissemination of knowledge.

MISSION

Our mission is to serve society through **excellence in proper guidance**. We always aim to define the absolute standard of excellence in the area of coaching:

- Impart quality guidance to meet the needs of profession and society, and achieve excellence in teaching-learning and mentoring.
- Attract and develop talented and committed human resource, and provide an environment conducive to innovation, creativity, team-spirit and leadership.
- Facilitate effective interactions among faculty and students, and foster networking with IAS and WBCS Gr A / B Officers, authors, experts and other stake-holders.
- Practice and promote high standards of professional ethics, transparency and accountability.
- We aspire to instill the right attitudes, values and vision in. Our students that will prepare them for a life time continued learning and leadership in their chosen careers

WHY US?

In WBCS MADE EASY we do not compromise on quality. Feedbacks are regularly taken from students and we act accordingly as characteristics of students varies from place to place.

Here senior level executives / officers including senior IAS / WBCS officers are there in mentor team and editorial board. They regularly guide the whole bunch of activities. Students can talk to some of them directly and get his or her specific problem sorted out as the officers themselves passed the exam. They need not to listen to others to guide new aspirants.

Here , every class is supplemented by chapter wise standard mock tests. Standard of questions to teach and prepare for exam is very important and if it does not match to actual exam, it will be of no use. So utmost care is taken in setting mock test question papers.

Very good quality of study materials are provided to students which are themselves very unique, made by above stated editorial board and useful for long term.

Only profit making is not the motto of this institute. Here best minds available in WB in this field came together to make best guidance for the exam.

The objective is to provide PROPER GUIDANCE only which is very scarce resource these days and the era of data overload.

FEW OF OUR TESTIMONIALS (CLICK ON THE QR CODE FOR MORE)

The entire environment of the mock interview seemed to me real and effective .. Board members were very cordial and cooperative. I learnt a lot from my mistakes which were pointed out and discussed by the experienced board members. It was very helpful for my upcoming personality test .- **Milani Das (WBXS Exe. Rank 10 – WBCS 2019 Exam)**

Excellent coaching, providing guidance by experienced faculties. Quality and standard study materials given along with subject wise mock tests taken every week. Institute has deep surveillance over every student individually and regularly monitors their progress. Syllabus planning, progression plan, overall guidance are truly examination oriented. Last but not the least, their helpdesk is very much active and communication is advanced. – **Pallab Mondal (Student)**

Classes are well designed to cover the whole syllabus, weekly test helps to revise the subjects on a daily basis, teachers are approachable in case of any doubts.- **Joy Mondal (Student)**

Training was excellent with good interaction. I take immense pleasure to announce that I have been a part of this institution's free mock programme regarding West Bengal's premium service in the administration section, known as WBCS. I convey my heartiest gratitude to respected Soumya Sir for offering such enriched guidance and standing beside students constantly. The sessions taken by sir himself and the sessions by honourable Shri Nurul Haque Sir (IAS and Ex Chairman Wbpsc) are most enriching ones and gives proper guidance to students sitting at the furthest corner of the state and even outside the state also. The mock interview that I have given through online mode has helped me a lot to boost up my confidence. The best part is the " Positive Approach " that the institute has provided us at times. The sessions that are available at YouTube channel of the institute are also helpful and will be helpful for aspirants.- **Kunal Mukherjee (DSP Rank 4, WBCS Exam 2019)**

I am a fresher. I had no such ideas about WBCS. But WBCS Made Easy is a medium, from where I didn't have just a good idea about this examination, but also I'm getting very good guidance. Their Study Matt, live classes, subject wise test, are those calculated steps, which can be a pleach an aspirant to his/her desired success. So, one thing can definitely be said, that WBCS Made Easy really help you to make the way easier for your success- **Avijit Das (Student)**

One of the best coaching centre for WBCS with efficient mentors and faculties. WBCS Main exam programmes and Mock interviews were just remarkable and outstanding. –**Rajnish Kr Yadav (WBCS Exe. Rank 4 , 2018)**

I appeared for the Free Mock Interview arranged by WBCS Made Easy under the leadership of Soumya Sir who has been the soul of this program. The Mock Interview was of the highest order, with a great panel and a nice ambience. I think it has been immensely helpful for me. THANK YOU SOUMYA SIR.- **Amitava Ganguly (WBCS 2019 WB Revenue Service 4th)**

WbcsMadeEasy is no doubt a renowned institution for WBCS exam. The classes are excellent. The instructors are incredibly knowledgeable and articulate. Good curriculum and study materials. I should try my level best to fulfil my dreams. Thank you very much . – **Sumana Chandra (Student)**
